Every time I turn around I find this administration is once again pickpocketing me, stop it!

Please come up with other ways to fund your pet projects than digging into money that belongs to regular Oregonians, such as the kicker, or taxing us to death....and there after!!

It is very hard for us to make ensure meet and any money that we can spend helps keep businesses open and the economy. Please listen Oregonians and if you need ideas ask Oregonians and listen.

Thank you
