You have proven multiple times over that you cannot handle our surplus money wisely, therefore - as we have demanded previously - **GIVE OUR MONEY BACK TO US.** I am absolutely opposed to you keeping any surplus "kicker" money. We live in one of The Most Expensive States in the nation, and for what? Bottom of the barrel schools, roads that are falling apart, businesses fleeing? Middle class residents are flailing. We shouldn't have to demand our own money be given back to us. But please - return any and all surplus kicker funds back to the taxpayers. Thank you.
