This is a complete slap in the face of every Oregonian. The kick was specifically voted for by Oregonians to make government be better stewards of our money. To budget and spend our dollars wisely and with purpose. Every dime needs to be returned to us, it is NOT your slush fund because you cannot budget and want more and more to spend irresponsibly. No no no you have NO right to touch the kicker. If you push this thru I hope it's the last straw that spurs voters to vote this Governor and legislators OUT OF OFFICE.
