

Submitter: Leah Saltzman

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

Hello,

I am starting to feel like a broken record.....

Oregonians are sick of more money being taken out of our pockets. We demand accountability for the money you already have, which many of us believe is being mismatched. Until you can balance the books with the money you have and spend responsibly, I will continue to oppose any amendment that take money away from already struggling Oregonians.
