I am strongly opposed to this measure! Oregon kicker dollars are not the slush fund for the legislature to use when they've mismanaged our taxpayer dollars in so many ways! You can't just take our kicker money without a vote by the taxpayers. Find a way to live within the budget cut costs where they need to be such as illegal aliens who should not be benefiting from our hard earned income, they have become a burden to our system. Please follow the federal mandates to ensure Federal funding isn't cut. Also you need to attract business back to Oregon by being business friendly, which will bring in much needed tax revenue that has left due to poor economic conditions.
