Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

Dear Committee Members,

I am writing in strong opposition to SJR201. Hard working Oregonians are struggling to make ends meet and at every turn, the state is imposing new taxes or increasing existing taxes without consulting the tax payers or just not listening to them. Now you're trying to take the kicker which we voted on and any changes to the way the kicker is structured must go back to the voters. Until there are some serious audits and changes to the way this state mismanages our money, there shouldn't be any increase and you can't have our kicker. Please, stop hurting hard working Oregonians and vote against SJR201!

Sincerely,  
Amy Merckling
