

Submitter: Anita Parker
On Behalf Of:
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SJR201

We have enough taxes in Oregon and the failure of its leaders to fix problems with regard to funding PERS should not fall on the tax payer. We voted on the kicker and we should be able to vote on any measures to increase our tax burden. The emergency clause is always used to push through taxing and other measures legislature knows the people don't want. Leave our kicker alone, fix PERS and understand we cannot afford more taxes.
