Measure, Appointment or Topic: SJR201

I oppose the bill SJR201. We had voted on this and when there's a surplus somebody's supposed to come back to us, We the People of Oregon. Quit trying to take more money from us by all these extra taxes and all these proposed crazy bills. You guys got too many chiefs and not enough Indians. It seems like everyday you're trying to take more and more of our money while you run out large corporations you need to stop this! Oregon is failing because of you guys.
