I strongly opposed SJR 201

I submit this testimony in firm opposition to any proposal that would divert or repurpose funds from Oregon's constitutionally protected surplus, commonly known as the "Kicker."

This is not an unexpected windfall for government to redirect at will. It is a constitutional safeguard approved by Oregon voters to ensure excess revenue gets returned to the taxpayers and businesses who generated it.

It's the responsibility of Oregon's leadership to make sure budgets are being created, maintained and audited to ensure proper spending is met. This was a measure approved by the voters. SJR 201 is a slap in the face to all Oregon voters!
