On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SJR201

Dear Oregon Legislature,

I oppose SJR 201. I believe Oregon has spent a lot of money on unnecessary and wasteful agendas, and frankly, I can use this money on my home right now. This money will help my family, as expenses are crazily high these days. Taxes, insurances, permits, school supplies, transportation costs, etc... are making it difficult to even get out for a special night once in awhile. Please vote no on this agenda item. It will help my family to not have to pay this money in taxes and use it instead on my own expenses. Thank you.

Sincerely,

Mr. Paul Alexander
