

Submitter: Deanna Head

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

This is not the State of Oregon's money to do with whatever they please. And you might remember that you as elected officials are public servants and you work for the citizens of Oregon. For once, you might keep that in mind as you scheme and plan to thwart the will of people that public sentiment is quickly turning very negative. And this attitude reflects the opinions of a lot of so-called liberals who are fed up with how irresponsible this State is run.
