Dear legislators,

I oppose the bill to take Oregon taxpayers' kicker because you all don't want to take the time to come up with a budget that works. Instead you just want to take the easy way out and throw more of the Oregon taxpayer's money at the problems in our state. If I could see somehow that you've worked to come up with a solution otherwise and still don't have the money to cover, I would be willing to vote on it. You people don't seem to be representing the people of Oregon. You're just slamming bills through at the expense of the hardworking citizens of Oregon.
