I Do Not want the KICKER changed, removed or otherwise redesignated for any reason. It is part of our Constitution. It is designed for the Oregon legislature to live within the means of its budget. If this is too difficult for the legislators, perhaps they should rethink their service to the people of Oregon. We the people do not exist to provide for the wishes of the Governof and the Leislators. Another way to accomplish goals is to work with our Federal government.

Leave the Kicker alone!
