

Submitter: JoAnne Veenker

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

Please leave our Kicker alone....

Giving our public education system more money will not remedy their or our problem with the educating of our children.... They have plenty of funds, the choices they are making to spending those funds is the problem.... Keeping DEI teaching and other nonsense programs has taken away our federal funding and our governor was OK with that, so don't ask the already over taxed citizens to make up the deficit.....

Thank you
