

Submitter: Frank Little  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SJR201

Billions of dollars toward education have already been allocated. We DO NOT need more allocated towards "education" about wildfires, or any other waste of tax payer money. Keep your hands off the money that was properly and legally required to be returned to the PEOPLE. Hard working taxpayers rely on the existing laws to plan their budgeting and investments. We have to live within our budgets. The Oregon government should too, without resorting to legislative maneuvers to grab even more.
