

Submitter: Lisa Little

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

We do not need more money allocated towards "education" about wildfires, or any other waste of tax payer money. Enough has already been funded and spent on similar programs. Keep your hands off the money that was properly and legally required to be returned to the people who work hard to earn it. Taxpayers rely on the existing laws to plan their budgets and investments. We have to live within our budgets. The Oregon government should too, without resorting to legislative maneuvers to grab even more.
