

Submitter: Leta Muncie  
On Behalf Of: We the People  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SJR201

To Whom It May Concern:

We the people..... want to keep what is rightfully ours. This tends to once again be a money grab by our elected officials who are proving to not be for the citizens of Oregon. Will you, for once,..... one time.... Listen to the people of Oregon and do what is right for us. This is our money. We want our kicker back.

All I am asking is for you to do something JUST ONCE; that will benefit us. We the people want our kicker.

Sincerely,

Leta Muncie  
Native Oregonian, but may not be for much longer if this insanity keeps going.
