On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SJR201

Oregons funds are already grossly mismanaged by the people in charge. In addition no one is held accountable instead bills like this are created and pushed through as another cash grab from the tax payer making everyone struggle more. The kicker is not for government to use as they please. We are only in this position in the first place due to gross negligence of the budget.
