

Submitter: lillian weaver

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

Please stop trying to steal our money back using shady tactics. You need to learn to use the money wisely, for workers, NOT administrative staff that literally sit around and discuss working instead of actually working. The reality, there is no shortfall, there are too many admins siphoning our money for "causes" and not actual solutions. The kicker is ours, to use to invest in our families, not for you to take and spend how your ultra woke driven minds think.
