Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

I strongly oppose this measure as I have children in public schools in Oregon and I am absolutely disgusted and have previously pulled my children from public schools to private due to extended COVID shutdown in our area. Now that my children have returned the agendas being pushed and lack of actual teaching IE: I-ready which is an absolute joke. If I had the choice to have my tax dollars saved and chose my children's school I would.
