Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

I'm opposed to this bill as the Oregon Legislature needs to reel in their spending. We the people voted that if there is a surplus of funds that goes back to the people. Years and years of mismanagement by our state agencies does not give the legislature the right to say well we need more money and take it from the Oregon tax payers year, after year, after year. Get you spending and budgets under control because throwing money at agencies that are mismanaged is not the solution.
