I am opposed to this bill. I want my kicker! Stop punishing hard working taxpayers by continuing to take our money for bloated budgets, mismanaged monies or services and designations we don't want. My husband and I were born and raised in Oregon and we raised 3 children here. We are very hard working and fiscally responsible people. There are many unfavorable things happening in our state and one primary issue is that you, the governing, are bleeding us dry. There is no more money to give!! We want don't want to give to leaders we don't trust and who do not care amount the impact on hard working taxpayers. Most of us aren't rich or earning 3 digit incomes and every tax and price hike hurts our pocket books. Do you even remember what that is like or did you ever know what it was like to have to scrape up money for new eye glasses or new shoes or pay a utility bill? Did you pick strawberries or beans in the summer as a kid or work in fast food to buy clothes in high school? Do you pay your way through college and have a 34 year career where you helped your community and paid many taxes during those years? Most people I know are lower middle class and need every dollar. GIVE BACK TO US WHAT IS OWED TO US. IT'S OUR MONEY. STOP TRYING TO FIND WAYS TO PICK OUR POCKETS.

Thank you. Roberta Cogswell
