

Submitter:

Ryan Hook

On Behalf Of:

Committee:

Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

The Kicker needs to go. When normal people have a surplus they save it for hard times or use it to do something needed that they did not expect they could do.

Education is in a constant state of budget deficits, yet somehow the math works out to a surplus and sending folks a kicker. Kill the Kicker. Fund education in a way that meets the minimum of the QEM... for once... just try fully funding education.
