Measure, Appointment or Topic: SJR201

I am writing to you to speak out in opposition of SJR201. There is a lot of Oregon families that look forward to the kicker to help them out and try to get ahead after the tax season. DO NOT pass this through. There are other areas that Oregon's governing body can look to for financial assistance for the things that SJR201 is suggesting. We, the residences of Oregon, are already taxed higher than the majority of the rest of the country and have a harder time as is. Again, DO NOT pass this through.
