I am an Oregon citizen and mother of 3. I am opposed to the state if Oregon government always taking what belongs to the citizens. We have already voted for kickers to be redistributed to THE PEOPLE. Over and over the tax payers in Oregon are asked to foot the bill for THE APPROPRIATION OF MONEY done by the state of Oregon.

WE THE PEOPLE are struggling... The cost of living has gone up yet income levels stay the same. Taxes. Rent, gas...all gone up in Oregon. Owning a house is no longer an american dream here in Oregon and you make sure of that every time you vote to take our money. This was already decided.
