Thank you for this opportunity to let you know that our family needs the money that is returned to us as a kicker - a refund of an overpayment of taxes. Our utilities are going up as well as health and other insurance insurance premiums in addition to many other expenses. Additionally, my husband was laid off a year ago and has not found work as an over 60 year old man. Please work with what we have entrusted to you and make sure those moneys are being well managed. We really need our overpayment refund - aka our kicker.
