I STRONGLY OPPOSE SJR 201.

There is a disease in the Oregon legislature that causes a greed that you think justifies the end. Accountability is for others, but not for legislators? Past voters thought to force the legislature to be accountable by not overspending tax dollars that isn't yours to spend. Now you are saying, it is beyond you to be accountable. To that there is only one answer. RESIGN YOUR OFFICE if you can't be accountable to taxpayers.

Look at other state that are prospering. They are all following federal direction. Oregon is kicking and screaming going the wrong direction. If you'd get in step, we'd have very little budget problem.
