Measure, Appointment or Topic: SJR201

Dear Members of the Committee,

I'm writing in strong opposition to SJR 201. The Kicker is surplus, and belongs to the people. Oregon's budget has grown considerably in recent years- we should not have programs insufficiently funded with the level of tax payer money being spent. The fact that we do indicates a need to overhaul our state spending with an eye towards efficiency, not throw additional money at the problem.

Sincerely,

Cheyenne Love
