

Submitter: Scott Howes

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

I completely oppose this. As an Oregon native, there is no reason to bring this to our state. Forever chemicals and pfas is totally against any moral stance on jobs. Once they are built they only supply jobs to a handful of people. It doesnt make sense and is a land grab for profits. No more Data Centers!
