I am writing to oppose this bill strongly, we Oregonians already pay too much in taxes! For some the reimbursement of overpaying is the difference between making it for the year or not.... Tighten your belts and make do like we have to.... Stop wasting money on designer programs and focus on the basic! That's what we the people are asking you to do as your bosses.... Do the right thing for all Oregonians or look for another job!

Stop the constant money grab.We cannot give any more!
