

Submitter: Tony Oliver  
On Behalf Of: self  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

I strongly oppose this bill. There is no need to provide industrial land that removes stable community farm land. Currently Oregon is not the place to build companies. Dutch Bros just left Oregon taking 1000s of jobs. Nike and Intel only stay because of the enormous tax breaks the State gives them. Data Centers gobble up water (scarce in Oregon) and place heavy demand on the power grid. Please do not vote for this bill.
