Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

I live in unincorporated Washington County and am concerned about the land under SB 1586 and surrounding areas, and the impact that large-scale industrialization of this land would have on ground water usage and quality.

I would like you all to consider what has happened to Boardman, Oregon. If you have not read their story, please take the time to do a case study. Please ensure this does not happen to Hillsboro.

Thank you.
