Measure, Appointment or Topic: Support SB 1509

Chair Bowman, Vice Chairs Elmer and Pham and members of the House Committee on Rules,

I am a Portland resident. I am writing to testify in strong support of SB 1509, which is a good governance bill that seeks to add additional security measures to our election process to ensure that presidential electors in Oregon vote faithfully and in alignment with the public's will as it relates to the President of the United States.

In this time of political upheaval and federal governing by fear and intimidation, strengthened state laws that protect our vote makes a lot of sense. These laws should be as strong as possible, with no room for loopholes.

Because we cannot now depend on the federal government to act in the best interests of the people, state governments should work overtime to make sure their laws protect their residents.

Please pass SB 1509 out of committee.

Thank you.
