Measure, Appointment or Topic: SB1509

Passing SB 1509 will protect the people's vote and intent. It would address the potential danger of faithless electors (as recently was attempted by false electors in the 2020 election). It would allow our Secretary of State to review and enforce elector pledges and invalidate any ballot cast in violation. In addition, if any presidential elector does cast a ballot faithlessly, this legislation will require that elector to be removed from their position and that they be replaced. These additions reinforce currently existing statute and create better accountability within the process.
