Measure, Appointment or Topic: Support SB 1509

Chair Bowman, Vice Chairs Elmer and Pham and members of the House Committee on Rules,

My name is Amanda Powell, and I live in Eugene.

I am writing to testify in strong support of SB 1509, a good governance bill that seeks to add additional security measures to our election process to ensure that presidential electors in Oregon vote faithfully and in alignment with the public's will as it relates to the President of the United States.

I support this legislation because I believe that a committed, diverse, inclusive voter base is the best insurer of our continued democracy. I spent my working life (not over yet even in retirement) in historical research and teaching. I cannot countenance lies taking over our public electoral discourse now!

Again, to protect our fair elections, I want to see SB 1509 passed out of committee.

Thank you,  
Amanda Powell
