

Submitter: Kimberly Beckett

Committee: House Committee On Rules

Measure, Appointment or Topic: Support SB 1509

Chair Bowman, Vice Chairs Elmer and Pham and members of the House Committee on Rules,

My name is **Kimberly Beckett**, and I live in Bend. I am writing to testify in strong support of SB 1509, which is a good governance bill that seeks to add additional security measures to our election process to ensure that presidential electors in Oregon vote faithfully and in alignment with the public's will as it relates to the President of the United States.

The Election process depends on individuals with character. If presidential electors renege on their promise to vote for the candidate their state's majority has voted for, there should be serious consequences. I strongly support passing SB 1509 out of committee.

Thank you,

Kimberly Beckett
