Requiring our local state and federal law enforcement to show ID is one thing, but asking them to wear NO MASKS, when often they are spit on, or have other unseemly fluids thrown on them, is asking for a very big lawsuit, which Oregon will lose! This is dangerous, and especially condemning on the democrats when they do NOT want to have to show their office names/numbers etc.

Do unto others what you do unto yourself. How bigoted can you be!

NO NEVER.
