

Submitter: Thomas Fisher

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB1509

Faithless electors have become a real and existing threat to democratic principles. They have become one of the many dangerous attempts to control the outcome of free and fair elections. Faithless electors have become part of a planned and organized effort to overthrow and intentionally cancel the will of the people. Such manipulation should not be allowed and should be declared illegal.
