

Submitter: Michelle Lequin

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB1516

I am opposed to this bill unless stronger protections are added to ensure the safety and privacy of Oregon residents. Specifically this bill should include the following safeguards:

Short retention — cap how long ALPR data can be kept (21 days max).

Real end-to-end encryption + define it in law (not vibes, not marketing).

Limit use to serious crimes (not minor offenses / fishing expeditions).
