Committee: House Committee On Rules

Measure, Appointment or Topic: SB1516

This bill is an important step towards public safety and protecting our community. There needs to be clearer consequences. This bill will help deter crime before it happens. I have been to numerous community forums on this topic. The community is frightened on what has been happening. It is heartbreaking to hear the stories of victims who are afraid and lack support. My hope is this bill passes ensuring measures are applied consistently.

Thank you
