Committee: House Committee On Rules
Measure, Appointment or Topic: SB1517

I wrote in for the first version of this bill and appreciate the changes made to date, but more needs to be done to make this work properly. Please move SB 1517 forward only with the -A11 or -A15 amendments. These changes will help non-profits and conservation groups do what they do best, while still preserving accountability for gross negligence or intentional misconduct. This is important for the groups working and the many people who enjoy going into the outdoors. Thanks for your consideration.
