Committee: House Committee On Rules
Measure, Appointment or Topic: SB1517

As a supporter of outdoor recreation and stewardship, I urge you to move SB 1517 forward ONLY with the -A11 or -A15 amendments.

These amendments would provide balanced liability protections for conservation and stewardship organizations while preserving accountability for gross negligence or intentional misconduct.

As government funding continues to be cut, nonprofits and volunteers are stepping into the breach to maintain and repair protect our trails. Oregon nonprofits and volunteer leaders need clear and workable protections so we can continue maintaining trails and expanding safe access to the outdoors.
