

Submitter: Kelly Tilden

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: SB1517

Senate Bill 1517 creates more problems than it solves. I cannot imagine Oregon without its opportunities to ski, raft, fish and experience our beautiful state. It appears that this legislature is more interested in donor dollars than doing the hard work of aligning our laws with other Western states to protect these businesses and their employees' livelihoods.
