Committee: House Committee On Rules

Measure, Appointment or Topic: SB1517

Good morning,

As a supporter of outdoor recreation, my family and I urge to move SB 1517 forward only with the -A11 or -A15 amendments.

These amendments would provide balanced liability protections for conservation and stewardship organizations while preserving accountability for gross negligence or intentional misconduct.

Oregon nonprofits and volunteer leaders need clear and workable protections so we can continue maintaining trails and expanding safe access to the outdoors.

Thank you,
Kaylee Brunette
