

Submitter: B Tobias
On Behalf Of: NO EXTENSION PAST 7 YEARS
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: HB4004

This bill has some benefit in it as it provides tax relief for certain forestland owners affected by pests or disease, and this is good. I do have concerns about extensions beyond 7 years on water rights, as this could affect water resource management long term. I think the initial 7 years is adequate for anyone to deal with construction issues if they are attentive to it. Overall benefit likely outweigh detractors.
