Measure, Appointment or Topic: SB1517

As a supporter of outdoor recreation and stewardship, I urge you to move SB 1517 forward only with the -A11 or -A15 amendments. These business and non profits underpin economic activity across the state.

These amendments would provide balanced liability protections for conservation and stewardship organizations while preserving accountability for gross negligence or intentional misconduct.

Oregon nonprofits and volunteer leaders need clear and workable protections so we can continue maintaining trails and expanding safe access to the outdoors.
