Committee: House Committee On Rules

Measure, Appointment or Topic: SB1528

I do not support Oregon Health Authority having any more power to mandate health issues on any citizen of Oregon, The COVID response in Oregon proves that our Heath authority is politically captured by the Democrat party and has not acted in the best interest of health for Oregon citizens. Even though this pressure occurred in Oregon. I held my ground and refused the COVID vaccines and did not wear a mask until the mask Nazi's would come after you. I would not go back to that business if they enforced this stupid mask mandate.

Vote "NO", please!
