Capital Construction

Measure, Appointment or SB1601
Topic:

Stealing the tiny bit of funding that goes to sidewalks for children is abhorant.
Unacceptable.

The legislators who thought up this scheme should feel ashamed of themselves.
Reject the -3 amendment outright.

JUST CANCEL THE OVER BUDGET FREEWAY WIDENINGS IN PORTLAND

The freeway widenings are billions over budget, are probably never gonna be fully funded, and even if they could be fully funded they're so obscenely expensive now that they would never pass a Cost-Budget analysis. That's where you can get the money to solve the budget crisis.

JUST CANCEL THEM. WHY DO Y'ALL REFUSE TO DO THE OBVIOUS THING?
