Capital Construction

Measure, Appointment or Topic: SB1601

My name is Sydney Clover and I am a resident of Multnomah county. I oppose the proposed legislation in SB 1601 with -3 amendment. We cannot continue to cut transportation alternatives and access to people who cannot drive to prop up a broken highway system.

I am fundamentally AGAINST using our hard earned tax dollars to fund an already failing project, when we're already cutting funds toward transit. We need money to go to transit, and safety improvements on our city streets that already exist. Don't WASTE our money!

Please do not pass this amendment and keep our transit funding intact!
