

Submitter: Daniel Pepper

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Capital Construction

Measure, Appointment or SB1601
Topic:

The people want thriving rail systems. We want Oregon railways to improve. This money is not yours to do with what you please. We see each and every one of you. Railway funing benefits ALL OF US. Only CORRUPTION works against it. Trying to hide this CORRUPTION is a BETRAYAL to the ENTIRE WORKING CLASS.
